Dear valued Bidder

RE: Cancellation of PIK 001/2019-20

I draw your attention to the aforementioned RFQ which you had recently submitted a quotation for. We have since been advised by the Pikitup Marketing Team to cancel the current RFQ process as the catering has been reduced to the venue and breakfast only i.e. lunch and refreshments during the course of the day will be not be provided. The event date will also be moved out.

A new RFQ will be published as soon as we receive the relevant signatures and confirm the event date.

We apologise for any convenience this may have caused and look forward to your continued participation especially with regard to the revised specification that will be published.
