Quotations received will be evaluated firstly on pre-compliance evaluation, then on functionality evaluation **(IF APPLICABLE)**, and thereafter 80/20 point scoring basis. The 80 points will be for Price and 20 points are for Broad Based Black Economic Empowerment (BBBEE) for attaining the BBBEE Status level contribution in accordance with the table below:

- **MBD 4: Declaration of interest**
- **MBD 8: Declaration of bidders past supply management practices**
- **MBD 9: Certificate of Independent bid determination**

Failure to submit a fully compiled **MBD** forms quotation will result in your bid being rejected.

- **No quotation** will be considered from persons in the service of the state (**MBD4**).
- **As from the 7 December 2011**, all Service providers/contractors are required to submit valid, certified copies of their BEE certificate from an accredited BEE verification agency with their bid submission. Failure to submit will lead to forfeiture (loss) of the preference points.
- **In case of an Exempted Micro Enterprise (EME)** (turn over less than R 10m) a letter from a professional registered accountant/ auditor or a sworn affidavit is required in order to qualify for preference points. Failure to submit will lead to forfeiture (loss) of the preference points.

## SECTION 2

1. **The Lowest or any bid will not necessarily be accepted** and the **PIKITUP reserves the right not to consider any bid** not suitably endorsed or comprehensively completed as well as the right to accept a bid in whole or part. In addition, Pikitup also reserves the right to appoint more than one service provider/supplier as deemed necessary
2. In evaluating bids received and adjudicating the award of this bid, Pikitup Johannesburg (SOC) Limited will, in addition to the pre-compliance and functionality criteria included in the specifications and irrespective of the capital, pricing and black economic empowerment structures of the bidder, take into account as objective criteria (1) the desirability of rotating the work amongst service providers, (2) the past bidding practices of any bidder in relation to evidence and/or reports of combative practices including conduct reported, amongst others, in terms of the Prevention and Combatting of Corrupt Activities Act, 2004, (3) the past contractual performance of any bidder and (4) the nature and extent of disputes involving the bidder in relation to past and/or current contracts. Note that as a result of the application of these objective criteria, the highest scoring bidders will not necessarily be selected as a preferred bidder.
3. Where deliveries are quoted "ex-stock" the period of **delivery must not exceed Five (5) maximum working days after receipt of order. If this condition is not adhered to, the order could be cancelled.**

Quotations are to be completed in accordance with the conditions as set out in the quotation document and must be sealed and externally endorsed with the quotation number and place in the quotation box indicated above.
4. **Payments will be made thirty (30) days** after receipt of invoice by Pikitup.
5. Quotations received after the closing date and time will not be considered
6. Samples of the required items or goods are available for your perusal (when applicable.)
7. Should the above-mentioned conditions not be adhered to, the quotation will be considered invalid.
8. **Quotations must be valid for minimum of 60 days.**
9. **It is compulsory for all Service Providers and suppliers wanting to render services to PIKITUP to be registered and have a "compliance status" on the National Treasury Central Supplier Database ("CSD") as per National Treasury Circular No 3 of 2015/6 –**

**Central Supplier Database.** National Treasury will maintain the database of all suppliers for Government and its institutions. Prospective suppliers can register online on the CSD by accessing the National Treasury website at [www.CSD.gov.za](http://www.CSD.gov.za).

---

### **RETURN OF BIDS**

Late bids will not be accepted or considered and bids delivered to any other address besides the address stated above will not be considered.

Neither PIKITUP nor any of its employees shall be liable in any way whatsoever for bids that are not placed in the bid box by the closing date and time.

No bid shall be considered unless it is accompanied by sufficient information to show that the goods offered comply with the specification.

Bidders must state the country of origin and the name of the manufacturer of the goods offered. Documentary proof must be produced, if required.

**Bidding documents must be completed properly in permanent black ink pen.**

### **VALIDITY PERIOD**

Your bid submission must remain valid for a period of 90 days from the closing date of this bid. It will constitute an offer which remains open for acceptance during the validity period.

### **INFORMATION MEETING**

**None.**

### **ADJUDICATION OF BIDS**

Bids submitted in response to this invitation will be adjudicated by PIKITUP in terms of a supply chain management policy developed in accordance with the requirements of the Municipal Finance Management Act 56 of 2003 and the PPPFA. Enquiries in respect of the policy should be addressed to the Head of PIKITUP's Supply Chain Management -

### **CONTRACT**

The terms of the proposed contract with PIKITUP are contained in the General Conditions of Contract, the Special Conditions of Contract and any of the sections of these bidding documents in which the bidder makes an undertaking as to its performance. You must read and understand the terms before you submit your bid as you will be bound by the Contract (as described) if your bid is successful. At the time of award, the contract may include other relevant terms and conditions.

**ADMINISTRATIVE JUSTICE**

In adjudicating bids, PIKITUP shall comply with the requirements of the Promotion of Administrative Justice Act 3 of 2000 and the Promotion of Access to Information Act 2 of 2000, to the extent that these Acts apply to the adjudication by a municipal entity of bids in response to a bid invitation.

**INTERNAL APPEAL PROCESS**

Following the adjudication of bids and selection of a preferred bidder, and provided that a procurement contract has not already entered into force, any bidder may submit a complaint in writing to the chairperson of the PIKITUP Board of Directors (“the Board”) or the Managing Director that PIKITUP has not complied with the requirements of the PIKITUP Supply Chain Management Policy or the PIKITUP Code of Ethics, or has in any respect acted in a way that is irregular. The Chairperson of the Board or Managing Director shall not entertain a complaint unless it was submitted within 20 calendar days of when the supplier or contractor submitting it became aware of the circumstances giving rise to the complaint or of when that supplier or contractor should have become aware of those circumstances, whichever is earlier; or entertain a complaint after the procurement contract has entered into force.

Unless the complaint is resolved by mutual agreement of the bidder and the Chairperson of the Board or Managing Director, the Chairperson of the Board shall, within 30 calendar days after the submission of the complaint, issue a written decision. The decision shall state the reasons for the decision; and if the complaint is upheld in whole or in part, indicate the corrective measures that are to be taken.

The decision of the Chair of the Board shall, subject to the review powers of any competent court, be final.

**DECLARATION BY BIDDER:**

WE HAVE READ THE CLAUSES SET OUT ABOVE IN THIS OF THE BIDDING DOCUMENTS AND ACCEPT THEIR CONTENTS, SUBJECT TO ANY DECLARATION, WE HEREBY OFFER TO CONTRACT WITH PIKITUP ON THE TERMS SET OUT IN THE BIDDING DOCUMENTS SHOULD WE BE APPOINTED AS THE SUCCESSFUL BIDDER.

### CERTIFICATE OF INDEPENDENT BID DETERMINATION

- 1 This Municipal Bidding Document (MBD) must form part of all bids<sup>1</sup> invited.
- 2 Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging). <sup>2</sup> Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
- 3 Municipal Supply Regulation 38 (1) prescribes that a supply chain management policy must provide measures for the combating of abuse of the supply chain management system, and must enable the accounting officer, among others, to:
  - A. take all reasonable steps to prevent such abuse;
  - b. rejects the bid of any bidder if that bidder or any of its directors has abused the supply chain management system of the municipality or municipal entity or has committed any improper conduct in relation to such system; and
  - C. cancel a contract awarded to a person if the person committed any corrupt or fraudulent act during the bidding process or the execution of the contract.
- 4 This MBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
- 5 In order to give effect to the above, the attached Certificate of Bid Determination (MBD 9) must be completed and submitted with the bid:

**MBD 9**

**CERTIFICATE OF INDEPENDENT BID DETERMINATION**

I, the undersigned, in submitting the accompanying bid:

---

(Bid Number and Description)

in response to the invitation for the bid made by:

---

(Name of Municipality / Municipal Entity)

do hereby make the following statements that I certify to be true and complete in every respect:

I certify, on behalf of:

---

that:

(Name of Bidder)

1. I have read and I understand the contents of this Certificate;
2. I understand that the accompanying bid will be disqualified if this Certificate is found not to be true and complete in every respect;
3. I am authorized by the bidder to sign this Certificate, and to submit the accompanying bid, on behalf of the bidder;
4. Each person whose signature appears on the accompanying bid has been authorized by the bidder to determine the terms of, and to sign, the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organization, other than the bidder, whether or not affiliated with the bidder, who:
  - (a) has been requested to submit a bid in response to this bid invitation;
  - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
  - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However, communication between partners in a joint venture or consortium<sup>3</sup> will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:

- (a) prices;
  - (b) geographical area where product or service will be rendered (market allocation)
  - (c) methods, factors or formulas used to calculate prices;
  - (d) the intention or decision to submit or not to submit, a bid;
  - (e) the submission of a bid which does not meet the specifications and conditions of the bid; or
  - (f) bidding with the intention not to win the bid.
8. In addition, there have been no consultations, communications, agreements or arrangements with any competitor regarding the quality, quantity, specifications and conditions or delivery particulars of the products or services to which this bid invitation relates.
9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.

## **Executive Summary**

### **Project Overview**

The project is aimed at connecting all Pikitup employees, contractors, vendors and suppliers who are not in a position to be in the same premises or physical boardrooms to engage in meetings through a Video Conferencing System. Pikitup is also aligning the business to the new global trends and making provision for them as the new way of conducting business is emerging, be it is working from home or away from the physical premises.

Pikitup needs a high-tech Video Conferencing System through which online meetings, workshops and trainings can be held. This will enable the company to share information, resources and knowledge with each other.

Therefore, the objectives for implementing video conferencing systems are:

- Increase user productivity during meetings and conferencing sessions through elimination of unnecessary technical support to establish connection.
- Reduce travelling operational costs and the time needed to establish meetings and conferencing sessions.

### **Purpose and Scope of this Specification**

The purpose and proposal includes supply of equipment, installation, testing, commissioning and maintenance/support of a fully functional Video Conferencing System. The system should be able to support audio, video and data collaboration and connect to a high quality audio conferencing system.

The system should have the latest audio and video functionality in order to provide the maximum quality achievable by any technology currently available in the market. All systems should allow connectivity of computers to run presentations, share information, exchange of files and any image that is being displayed on the computer screen, and should be able to see presenter and the presentation at the same time. The Video Conferencing System should have the ability for making all conferences highly secured on the **IP with SIP (Session Initiation Protocol)**.

The systems provided by the Contractor must include, but not be limited to front Projection, LCD displays, various source inputs, audio conferencing, video conferencing CODEC (compression-decompression) capabilities with cameras, microphones, audio processing and loudspeakers dedicated control system with touch panels.

The video conferencing system must be provided for Pikitup head office MD's boardroom.

### **The Technical Requirements**

#### **Product Requirement**

The video conferencing system, end points, accessories and peripherals to be implemented in Head Office MD's boardroom.

#### **Functional Requirements**

- High-definition (HD) video camera, or HD webcam to capture a clear view of the audience and participants and enable camera control for voice tracking;
  - Compliance with Microsoft Skype, Zoom, MS Teams, MS Outlook and the capability to access the web-desktop and video conferencing system from user desktop, from ISDN and IP conferencing systems;
  - Clean cabling and finish, ensuring that the cable are neatly routed and connected;

- Integrated sound system: integration of HD in-room audio system with the HD video using mixture board, microphones, and speakers or use of integrated audio-bridge for smaller conference rooms;
- Enhanced and quality audio system, including capability to enforce clarity and to cancel noise and interference, enforce distributed echo cancelation;
- Capability for content sharing, audio-visual (AV) and presentation through standard HD equipment;
- Integration of in-room audio with the Internet-enabled room personal computer;
- Integrated control panel or touch screen/pad to access and manage conferencing features and sessions;
- Should be able to connect to existing PIKITUP's TV screens;
- Usability and ease of use, especially when scheduling conferencing and meetings;
- Compatibility to access video conferencing session through mobile conferencing applications;
- Must support both wired and wireless expansion microphones;
- Password protection, so as to prevent unauthorized users from accessing, controlling or making changes to the system;
- Must include Display Note License for collaboration purposes;
- Must enable hands-free camera operation, simple touch interface control and audio innovations to eliminate distractions for more effective meetings;
- Must have the ability to record sessions, stream and broadcast those sessions.

## **Features of Conferencing System**

### **Graphical User Interface**

- The video conferencing systems shall have user-friendly graphical interface;
- The graphical user interface (GUI) shall be customizable;
- The management console should web-enable and have a user-friendly graphical interface.

### **The Capability and Functionality**

- Deliver superior audio and image quality to the entire conference room environment;
- Have ability to schedule and invite participants to a video conferencing session;
- Have a management tool capable of centrally managing a conferencing session (teleconferencing, web-desktop conferencing and videoconference), as well as the entire conferencing system and embedded multipoint conference unit;
- Unit should support minimum connection of four simultaneous end points to a single videoconferencing session. These end points can be local (on the LAN) or from remote location(s);
- All real-time conferencing and content sharing, dial-in to a video conferencing session from ordinary telephone land line.

### **The Audio Requirements**

The video conferencing system shall conform to the requirements below:

- wide range of the latest audio industry standards and digital formats;
- the ability to decode multiple, simultaneous conversations and be able to distinguish which side of the room people are talking from;
- provide audio error concealment facilities (reduce audio drop on busy IP or ISDN networks), have the ability to correct audio from the communications systems, have in-built echo cancellation, automatic level controls, and other noise suppression functionality;

- Conform to ITU-T standards for audio compression and de-compression (CODEX). Support G.711, G.722 and G.728, G.729A coding;
- Have 360-degree audio pickup capacities sensitive enough to pick up whispers, and smart enough to eliminate noise.

### **Video Processing, Control Video Industry Standards and Digital Formats:**

The video conferencing systems shall support automatic gain control and the below video industry standards and digital formats:

- wide range of the latest video industry standards and digital formats; capture and display video at a minimum of thirty (30) frames per seconds (fps); have the ability to intelligently select the frame rate for best performance video;
- wide range of the latest video formats and industry standards, but not limited to the following formats and standards H.261, H263, H.263++, H264 video standards MPEG, MPEG@ and MPEG 4 video formats, CIF, SIF, VGA, SVGA, XGA display resolution;
- allow video error concealment facilities (reduce video drop on busy IP or ISDN networks), including the ability to correct video from the communication system easily.

### **The Video Conferencing System Interface**

The video conferencing system shall support the following interface:

- provision of a wide range of the latest standard interfaces for outputting digital/ analogue audio and video to external equipment;
- Provision of a wide range of the latest interfaces for accepting a digital/analogue audio and video input from external source.

### **Content Sharing**

The video conferencing system shall support content sharing, the ability to show or share content from a PC or laptop and standard USB Flash drive, allow laptop or PC IP network to actively participate in a conferencing session and share presentation data from applications such as, but not limited to Microsoft PowerPoint, MS Lync, Skype, Excel, Word and drawings on digital whiteboard in real time to local and remote sites(s).

## Specifications for Video Conferencing

### Speakerphones And Two to Four Big Mounted Speakers

These are the minimum requirements per boardroom:

|    | Requirements  |
|----|---|
| 1. | Full-duplex performance   |
| 2. | Acoustic echo cancellation  |
| 3. | Noise reduction technology  |
| 4. | Ultra-wideband audio  |
| 5. | Pairs with mobile devices via Bluetooth and NFC                                     |
| 6. | LCD for caller ID, call duration and other functional response                      |
| 7. | LEDs for speakerphone streaming, mute, hold and Bluetooth                           |
| 8. | Tactile buttons for call answer/end, volume and mute, Bluetooth, and camera control |

### 24 x Table Microphones and 4 x Wireless Microphones

These are the minimum requirements for our boardroom:

|   | Requirements                                  |
|---|---|
| 1 | Pickup range: 6m/20 ft                        |
| 2 | Pickup range with expansion mics : 8.5m/28 ft |
| 3 | Four omnidirectional, beamforming microphones |
| 4 | Frequency response: 100Hz – 11Hz              |
| 5 | Sensitivity: - 28dB +/-3dB                    |
| 6 | Distortion:<5% from 200 Hz                    |

## Mount

These are the minimum requirements for our boardroom:

|    | Requirements   |
|----|--|
| 1. | Dual-purpose bracket works for both wall mounting and tabletop elevation |

## Compatibility and Certifications

These are the minimum requirements per boardroom:

|    | Requirements  |
|----|---|
| 1. | Plug-and-play USB connectivity                          |
| 2. | Certified for Skype for Business and ready for MS Teams |
| 3. | Zoom Certified  |

## Management Tool

The video conferencing system should provide a centrally manageable and easily deployable tool for monitoring and troubleshooting conferencing sessions across the business.

The features and functionality of the management tool should include:

- Support for integration with unified communication applications such as Microsoft, Skype, Zoom and Teams;
- Easily schedule conferencing through control panel, touch screen or desktop communication applications such as MS Outlook, web apps, etc.;
- Manage endpoint software updates and upgrades;
- Integration of existing corporate directory such as LDAP and Active Directory;
- Establishment of Global Address Book of the enterprise endpoint;
- Capability to record conferencing sessions.

## Technical Support, Warranty and Maintenance

### Vendor Responsibility

The vendor must assume responsibility for the following:

- implementation of video conferencing services;
- project management, planning and implementation of the video conferencing systems;
- Training of the video conferencing system and transferring knowledge to ICT technical staff;
- Troubleshooting technical issues and management of the implementation of the video conferencing system;
- Integration of unique hardware or software;
- System acceptance testing.
- 

### Experience Requirement

- Bidders are required to enclose at least one client reference letter confirming the bidder's appointment and successful completion of a similar undertaking.
