

HOW TO OPEN A LANDFILL ACCOUNT

WE DO BETTER
Together

9 STEPS TO FOLLOW

STEP 2

Documentation needs to be submitted in person as a contract will be signed.

STEP 4

Without a municipal account, you are required to first go to Thuso House, Customer Services Centre to acquire an account number.

STEP 6

Completed documentation can be submitted to Robinson Deep Landfill site as well as Marie Louise Landfill site (Cr. Main Road & Elias Motsoaledi Street, Dobsonville, Soweto)

STEP 8

Vehicles are weighted on the weigh bridge at all four Landfill sites when entering and exiting to assist with the billing of monthly Pikitup Landfill accounts.

STEP 1

Landfill Application forms can be obtainable from all 4 Pikitup landfill sites, Robinson Deep, Marie Louise, Goudkoppies and Ennerdale.

STEP 3

You will be required to have your original municipal account, vehicle registration document and original ID document with you to open the Landfill account.

STEP 5

All clients are required to have a waste carrying licence after opening a Landfill account, obtainable at 118 Traduna Building, 10th floor, Braamfontein, JHB

STEP 7

The account will be opened on the Pikitup Landfill Opto system so customer/s can access any four of the Pikitup Landfill sites.

STEP 9

Please note that customers must not pay money to anyone when opening a Pikitup Landfill Account as this service is free.
