PIKITUP MARLBORO AND MIDRAND DEPOTS WASTE COLLECTION DELAYS

Dear Residents,

Pikitup's Marlboro and Midrand Depots have experienced service delivery disruptions due to protests. These protests have prevented employees from leaving the depots to perform waste collection services in their respective areas.

As a result, waste collection services scheduled for Monday, 1 July 2024, were not rendered. Both depots are now working around the clock to ensure that waste collection in the affected areas is normalized as soon as possible. They will prioritize the areas missed on Monday as well as today's scheduled areas. Efforts will be made to complete waste collection in the affected areas by the end of the week, even if it requires working over the weekend.

Pikitup appreciates your understanding and patience as it strives to provide the best possible service. If you have further concerns or questions, please feel free to contact Ms Ester Mtatyana 072 120 3484 for Marlboro Depot-related inquiries and Ms Cynthia Mphahlele 072 137 8049 for Midrand Depot-related inquiries.
